

## **Welcome to the Grayfox Homeowners Association Website**

Dear Grayfox Residents,

Welcome to the new official website ([grayfoxhoa.com](http://grayfoxhoa.com)) for the Grayfox Homeowners Association. This site has been created to serve as a convenient and reliable resource for everyone in our neighborhood.

Our goal is to provide homeowners with easy access to important community information, including neighborhood covenants, architectural guidelines, phone directory, announcements, and upcoming events. The website will also serve as a central place for updates from the HOA Board and other community news.

We encourage you to visit the site regularly to stay informed about what is happening in the Grayfox community. As the site continues to grow, we will be adding additional resources and features to make it even more useful for residents.

If you have suggestions, questions, or feedback, please feel free to reach out through the contact page. Your input helps us continue improving our community and communication.

Thank you for being part of the Grayfox community.

**Sincerely,**  
**Grayfox Homeowners Association Board**
